Chief of Police

James Rowland

Deputy Chief of Police

The Hometown Police Department request your cooperation in implementing additional strategies to reduce the risk to the community and our employees during the Covid-19 crisis.

The Hometown Police Department will only be responding to high priority or emergency calls, including but not limited to:

- Violent Crimes
- Domestic related incidents
- In progress crimes (robberies, burglaries, crimes against persons)
- Serious motor vehicle crashes
- All minor motor vehicle traffic accidents will be directed to the police station to complete the report.
- Any Public Safety issues or concerns.

Low Priority calls that are non-emergencies, informational calls, minor property crimes, ordinance violations will still call 911. An officer will call you back to take your report via telephone.

We ask that you refrain from coming to the Hometown Police Department to file a low priority incident, or if you are currently experiencing flu like symptoms or traveled abroad within the last 14 days. Please call 911 from your residence.

Thank you for your cooperation and together we will get through this crisis.

Sincerely,

Chief Louis Dominguez Jr.
