

**CITY COUNCIL OF THE CITY OF HOMETOWN
ORDINANCE COMMITTEE
JOURNAL OF THE PROCEEDINGS**

February 4, 2020

Call to Order: The Ordinance Committee meeting of the City Council of the City of Hometown was called to order by Mayor Casey, on Tuesday, February 4, 2020 at 7:25 P.M.

Roll Call: Roll call indicated that the following committee members were present:
Chairman Reynolds, Alderman Banasiak and Alderman Touchie

Also present were: Clerk Hacker, Alderman Zak, Kurysz, Barnhouse and Grochowski.

Chairman Reynolds stated we are here to discuss the request from the Co-op to allow overnight parking on 87th Place west of Kenton. They have run out of parking spaces for their residents.

There was full discussion regarding this request, some stating there is a need and we should allow it and others stating if you allow this then you have to allow the whole town. One of the remedies suggested was to use some of the land the co-op has and develop the land into additional parking. It was discussed that if allowed it should only be one side of the street. They are looking for 15-20 additional spots.

It was decided to have Gary Byrne, the Co-op Manager attend Tuesdays meeting to answer questions and so it will be on the agenda to discuss this issue.

Misc. Business: None

Moved by Alderman Touchie, Seconded by Alderman Zak to adjourn the meeting.
Meeting adjourned at 7:55 pm
